

TPS Volunteers Opportunities

TPS has a number of opportunities for its registered professionals to support the profession in a variety of voluntary roles on various boards and committees. These volunteer opportunities range from a short commitment of a few hours a week to longer term roles in excess of one to several years.

TPS Marketing Committee is looking for members interested in:

- assisting TPS with expanding its social media;
- presenting the TPS PPP to technical employers regarding the benefits of hiring registered professionals;
- presenting the TPS PPP to college students and sharing your professional career.

TPS Registration / Examination Boards are looking for:

- Academic Assessors in all disciplines.

TPS representatives on Saskatchewan Polytechnic Program Advisory Committees (PAC):

- Serve as a member of the PAC in the discipline that you graduated from.

Volunteers are vital to the future success of TPS. It's an opportunity to use your professional knowledge and experience to give something back to your profession, while networking with other proactive people, and gaining personal recognition.

If you are interested in a volunteer experience, please contact the TPS office at 306 721-6633 or info@tpsk.ca. We can't wait to hear from you!
